

# Mass Appraisal vs. Single Property Appraisal

**Virtual**

**January 29, 2026**

**Class: 9 – 11 AM ET**

**FREAB CE 2 Hours**

**AI – 10 Points**

The purpose of this seminar/workshop is to discuss the differences as well as the similarities between Mass Appraisal & Single Property Appraisal. There are a lot of misconceptions regarding what Mass Appraisers do and how they derive their estimates of value, in Florida there are 67 counties and each one has an elected Property Appraiser (Assessor). The property tax is the primary revenue source for local government so this is a very important job.
